## STORAGE BUILT FOR REAL LIFE

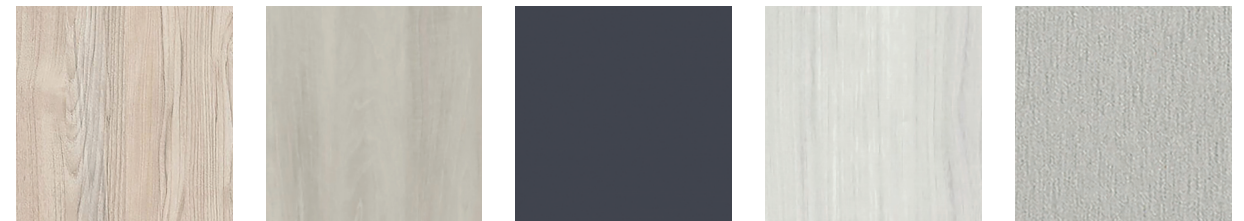

Versatile cabinet systems do more than store your gear—they help you take control of your space. Built in the USA and designed for real garage conditions, our cabinets handle heat, cold, heavy use, and the everyday clutter that comes with an active home. With a range of configurations, finishes, and practical features, you can create storage that fits your lifestyle, keeps everything organized, and holds up.

## FIND THE COLOR THAT FITS YOUR SPACE

Versatile offers 18 cabinet colors so you can create a look that fits your space, whether it's clean and modern or bold and distinctive. Every finish is built to handle real garage use and stay looking good over time. Easy to maintain and adjust as storage needs evolve, these cabinets deliver the style you want with the durability you expect.

## THE GARAGE VAULT

**The Garage Vault Series** is a great way to store and organize your tools, sports equipment, and toys. It includes pantry-style cabinets that have adjustable shelving so you can store any size item, from golf clubs to tools. It comes in three size configurations to fit most spaces.

# BUILT WITH PURPOSE. DESIGNED TO PERFORM

Every detail in a Versatile cabinet system is built with purpose. From smart storage to clean finishes, these features make your cabinets stronger, more functional, and built to look good for years.

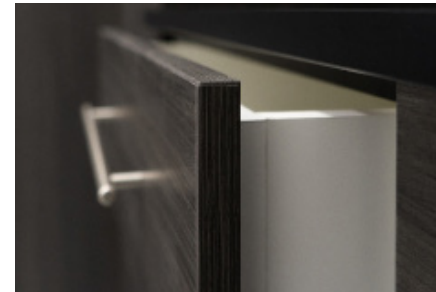

## ADJUSTABLE SHELVES

¾" or 1" shelves adjust to fit what you store, from small items to heavier essentials.

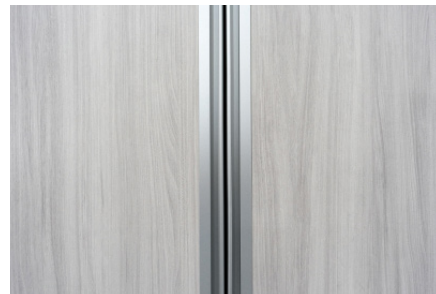

## SHELF SAFETY LOCK

A built-in safety lock keeps shelves firmly in place to prevent shifting.

## EDGE BANDING

Durable 2 mil edgebanding protects cabinet edges and keeps finishes looking clean.

## CHANNEL PULLS

Sleek, modern pulls available in silver or black to complement your cabinet color.

## STANDARD PULLS

Durable brushed steel or black pulls provide a clean, timeless look.

## FULL-EXTENSION DRAWER SLIDES

Drawers extend fully so you can easily reach items in the back.

## EUROPEAN-STYLE DOOR HINGES

Concealed soft-close hinges keep cabinet doors closing smoothly and quietly.

## FULL BACKS

Full backs add strength and a clean, finished interior.

## APPLIED ENDS

Flush-mounted cabinet ends deliver a seamless, built-in look.

# MAKE THE MOST OF YOUR WALL SPACE

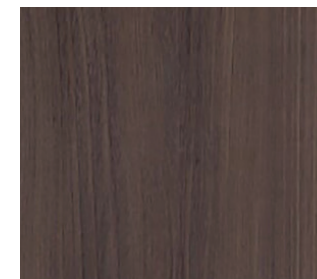

Your cabinets are in place and your floor is protected. Now it's time to make the most of your wall space. Versatile slatwall systems give you a simple, durable way to keep tools, gear, and everyday items organized and within reach.

Built with industrial-strength materials, our slatwall works seamlessly with your cabinet and flooring setup. Add hooks, baskets, and accessories to customize your storage and adjust it anytime your needs change. It's a practical way to keep your garage organized and functional.
